

## **SAFETY DATA SHEETS FOR BJP CONCENTRATORS**

The BJP concentrator products do not require a Safety Data Sheet (SDS) under the Occupational Health and Safety Administration (OSHA) Standard entitled “Hazard Communication” as defined in 29 CFR 1910.1200 for the United States of America.

These products also do not meet the criteria of a W.H.M.I.S. classification of a controlled product. As a result, a W.H.M.I.S. Safety Data Sheet is not required in Canada for this product.
